## NAVAJO AIR TRANSPORTATION PLAN OF OPERATION

**The Department of Air Transportation provides safe, reliable, and first-class quality air transportation service for employees of the Navajo Nation Government by operating the Air Transportation Department by director and staff. Maintain aircraft to full flight status for any flight scheduling by any tribal department. Develop, organize, implement, administer, coordinate and monitor the department sections. Ensure that the mission, goals, objectives and philosophy of the department are maintained and achieved. And managing the following department sections: Administration, Flight Operations, Safety, Aircraft Maintenance and Training. Our continued existence depends on how well we provide professional and personalized air transportation services to the Navajo Nation.**
